Driving: A Complex Task

In an effort to avoid distractions, please review the following guidelines:

- **See** – Be aware of your surroundings at all times. Look out for street signs, speed limit changes, pedestrians, other vehicles on the road, and potential hazards that may be present.

- **Hear** – Listen for the sounds of pedestrians, motorists, and warning signals that may be present that may cross your path.

- **Decide** – Establish how you will respond to various traffic-related situations as they arise.

- **React** – Ensure you are able to maneuver the vehicle in a safe and controlled manner.
